

Be Safe

This week, as part of a national drowning prevention week, we welcomed two lifeguards from local swimming pools who came to speak to the children about how to stay safe around water.

The children learned about the different flags that are displayed on beaches and what they represent. The children learned also learned about the hidden dangers that can be present below the surface in places such as canals, rivers, stream and quarries and why you should not swim in these places.

The children were fantastic in answering questions about how to keep themselves and others safe around water.

Ask your child to tell you all about what they have learned.

Summer Solstice fun

Foundation Stage are getting ready for their Summer Solstice celebration – fingers crossed for the weather.

Sandwiches are being made and games are at the ready. Have a wonderful afternoon!

Year 1W have enjoyed a great trip to Park Hall Country Park today as a part of their topic to learn all about animals and their habitats.

The children behaved beautifully and learned many new facts.

Well done!

The Longton Swimming results are in and we came 3rd in the boys & girls competition which combine the Y4/5/6 results. A fantastic result and even more impressive is that we have 6 pupils who have been selected for the Longton Swimming Team to compete in the City Swimming Gala! Amazing!

Continuing the Learning Journey Together.

Well done 4G. You all did so well in your assembly this week. The children loved sharing their learning and knowledge about Volcanoes with their Park Hall family. A big well done, I am sure you will all agree that each and every one of them are superstars.

'Here we go' or 'Oh no'

This week's attendance whole school attendance is:

96.4%

The whole academy target is 97%

Upcoming diary dates – Summer 2 events
